

The accompanying INJURY AND ILLNESS PREVENTION PROGRAM (IIPP) has been developed by the City of Long Beach in accordance with the requirements of TITLE 8 OF THE CALIFORNIA CODE OF REGULATIONS, SECTION 3203.

This program has been reviewed and approved by the City Manager.

Employees included in the Policy or Scope of this program are required to become knowledgeable in the program's content. Employees will become knowledgeable through attending Safety Training sessions, participating in Group Safety Meetings and through individual employee review of the written program.

Should any employee have questions regarding this program they are directed to discuss their questions with their supervisor or the City Safety Officer at (562) 570-6476.
